Proposed Text for Plaque

Declaration

I declare that I have read and understood the Alne Wood Park Burial Ground Regulations and that I agree to abide by them. I also acknowledge that the memorials are made from natural materials and therefore subject to imperfections inherent in the materials used. Grave sites are maintained with a light-touch to allow for re-wilding and natural look for the site. Within this, efforts will be made to keep graves and memorials in good order, however it should be noted they will be subject to ageing, potential damage from maintenance equipment and in the case of wooden plaques will deteriorate naturally over-time. Alne Wood Park / Dorsington Farms Ltd. is not liable for the damage or replacement costs.
